The image shows a golf hole marker for a tournament. It features a green background with a top-down view of a golf course hole. A long, narrow, light green path leads from the foreground to a small red house-like structure on a green. A blue stream flows from the top right towards the center. Red dots mark the boundaries of the hole. A white circle with the number '16' and a right-pointing arrow is located near the stream. A green circular area on the right contains the hole number '15' in large black digits, with 'Northwood Gold' written in a serif font above it. Below the hole number, a white box contains 'PAR 3' in bold yellow letters. At the bottom of the path, a white vertical line is labeled '320 FT.' in white. Several 'OB' (Out of Bounds) labels are scattered around the hole. A small rectangular graphic with a striped pattern is positioned near the top left of the hole.
